

MOBIADO AND BISSOL INTRODUCE USB MEMORY STICK LUMINOSO BATTERY COVERS

Vancouver, Canada - December 11th, 2007: Bissol and Mobiado— today unveil luxury USB Memory Stick Luminoso Battery Covers.

The Bissol USB Memory Stick Battery Cover provides a secure way to have your important computer files with you at all times. Precision, dependability, and performance in data storage.

The Bissol USB memory stick is the ultimate in data storage. Its small size allows for the discreet movement of private information, while the 4GB of storage capacity is perfect for demanding personal and business storage needs. The machined solid brass body is crafted to precision, giving the Bissol USB memory stick the same feel and look as Swiss watches mechanisms.

There Bissol USB memory sticks is available in two types; 24K gold plated brass and electroless nickel plated brass (silver color).

The Bissol USB memory stick provides a 4GB storage capacity and measures 28mm x 12.4mm x 2.2mm, making it the smallest in the world.*
